## Assumption of Risk and Release

The personal safety of our students is a major concern at the IEP. Dangerous activities are avoided and not endorsed by the program. However, students are required to participate in activities in the Hilo community that are related to classroom work.

The *Assumption of Risk and Release* form releases the University and its employees from responsibility in the event of damage to personal property, personal injury, or death which may result from your participation in IEP Program activities, including transportation to and from the activities.

Please read the information below carefully (the IEP office may be able to provide a translation.) Then fill in the date and sign your name. Thank you.
