

DynEd

English Language Learning Solutions

Be successful in School, and in Your Future Career!

The English Language Learning Lab

is open to Hawaii Community College **International Students** and speakers of **English as a Second Language** who are interested in improving their English skills. **The Lab is located in the Manono Campus Cafeteria.**

The Language Learning Lab offers:

↪ **Dyned English Language Learning** software – a program for developing skills in pronunciation, listening comprehension, grammar, spoken fluency and vocabulary. **Dyned** features Video, Speech Recognition, Placement Testing, Mastery Testing, & Study Guides.

↪ **One-on-one support** for all International and ESL Students in studying with the Dyned English Language Learning software.

If you could benefit from improving your English skills, contact us for more information.

We look forward to hearing from you!
